I visited Tara Rose Al Quoz for the first time and had the most pleasant experience. **Areanne** was so kind and attentive and really took the time to find out my hair concerns and gave a great recommendation for my hair type. I had the **Keratin blow dry** and I am really happy with the results. Areanne even invited me back for a hair wash and blow dry to wash out the treatment. **Such a wonderful experience thanks to Areanne. Will be back again!**
