STYLIST

*"Fourteen years of getting people to look in the mirror and **finally exhale.**"*

With fourteen years in the industry, I create beautiful, confidence-boosting results tailored to you, whether that's the perfect blonde, a full change or a precision cut. I take time to understand your lifestyle and goals, so the look actually works for you.

SPECIALISES IN

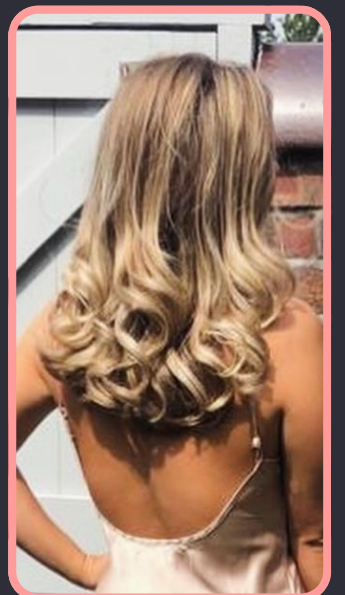

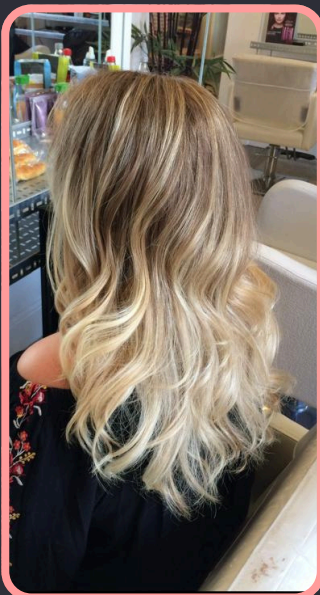

- Blondes
- Makeovers
- Precision Cuts

BEST FOR

- A considered change, done properly

THE VIBE

- Warm
- Professional
- Genuinely caring

You'll love me if...

you want real expertise and a stylist who listens before she lifts the scissors.

What matters most to me...

that you leave feeling confident and happy, not just with a good hair day.

In my chair you can...

expect a warm, personalised experience from the moment you sit down.

Had a wonderful experience today with **Beth** at Tara Rose! I came in ready for a change and Beth was so great at thoroughly talking with me about what I want and what would look best - it made me feel so comfortable and confident. I absolutely love how my hair looks and am so pleased with the results! **If you are ready to step up your hair game - Beth is your girl!**
