Clarissa

BLOW - DRY SPECIALIST

"Smooth when you want it, bouncy when you don't."

I'm from the Philippines and I've been a hairstylist here in the UAE for over twelve years. Two things I'm known for: a bouncy blow-dry that keeps its shape, and smoothing treatments for hair that fights you every single morning. I'll take the time to work out which one you actually need.

SPECIALISES IN

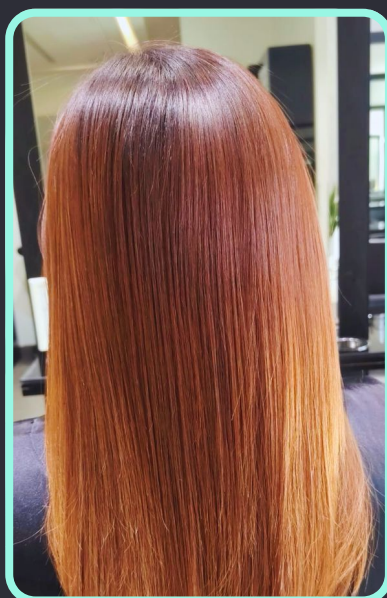

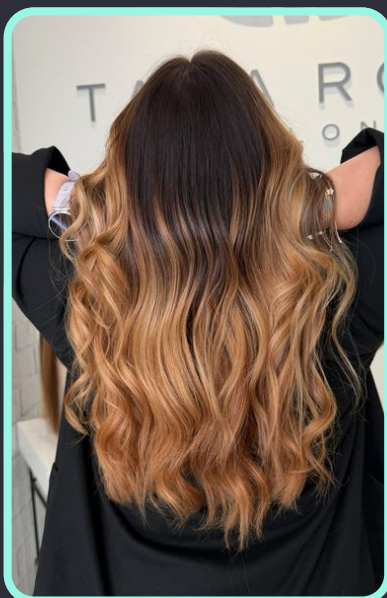

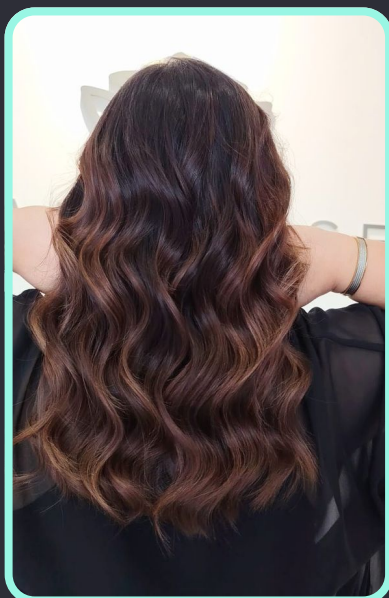

- Bouncy Blow-dry: Long and Extra-Long Hair
- Keratin & Smoothing Treatments
- Bond Repair & Olaplex
- Extension Removal & Refit

BEST FOR

- Clients whose hair never behaves the morning after

THE VIBE

- Welcoming
- Relaxing
- Trustworthy

You'll love me if...

Your hair has a mind of its own and you're tired of fighting it every morning.

What matters most to me...

That it still looks good on day three, not just when you walk out.

In my chair you can...

Relax and let me take over. Patience and detail: that's the whole job.
