"Gentle hands and you leave lighter than you came in."

I'm from the Philippines and I've spent ten years doing beauty here in the UAE. Waxing, lashes, brows, facials, nails: I like the range. Clients tell me I'm gentle. I'll take that as the whole job.

You'll love me if...

You'd rather sit back and let someone else handle it. No stress, no rushing.

What matters most to me...

Trust. Especially for the treatments people feel shy about.

In my chair you can...

Put the day down. I'll go gently, and I won't rush you.

"**Grace** is truly exceptional. Her hands are incredibly soft and gentle, at some point I didn't even realize she was applying the strip. After trying other technicians elsewhere, I **can confidently say I only want to book with her.**"
