SENIOR STYLIST

"Sun-kissed, lived-in colour that grows out as beautifully as the day you leave."

I'm happiest by the water, and that's where my style comes from: soft, beachy colour that looks like you, only brighter. Sit in my chair and you can switch off completely. I listen first, then we build something that fits your real life.

I had such a great haircut experience with **Holly**. Hands down the **BEST** hairdresser I have ever met! She transformed my hair into exactly what I imagined it to look like. I absolutely loved her work, she's very talented. The salon and all the staff were very friendly and welcoming I loved the vibes and **I'm definitely going there again.**
