You'll love me if...

You've been told your hair is too thick or too frizzy to do anything with.

What matters most to me...

That you stop thinking about your hair in between appointments.

In my chair you can...

Settle in properly. The long treatments take time; bring something to watch.

"I like the service they are very professional **Mevil** did my hair treatment and **it was amazing I loved the experience.**"

- Ihindxo H.

"I'm someone who values the overall experience as much as the service itself. I first visited the Khalifa City branch of Tara Rose for a haircut and later joined their Silver Package, a monthly membership for hair treatments. **The stylists, especially Mevil, are highly qualified.**"

- Amna Mohammed
