Mimi

SENIOR BEAUTY THERAPIST

"Clean tools, proper products, and a set you're happy to look down at."

I'm from the Philippines, ten years a beautician here in the UAE. Nails are most of my day, brows and waxing the rest, and I set up the same way for every single one: clean tools, fresh file, proper products. Nobody should have to ask.

SPECIALISES IN

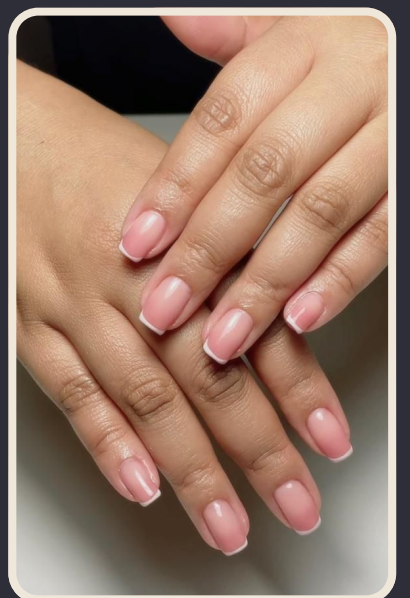

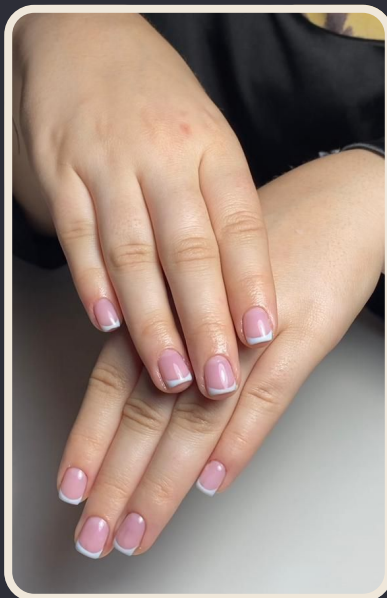

- Manicure & Pedicure: Gel Polish & BIAB
- Brow Shaping: Threading, Waxing & Tinting
- Body & Face Waxing
- Callus Treatment & Safe Gel Removal

BEST FOR

- Clients who notice how clean the setup is, and want their nails done properly

THE VIBE

- Relaxing
- Comfortable
- Safe hands

You'll love me if...

You check whether the tools came out of a fresh pack. So do I.

What matters most to me...

Hygiene. Every tool, every client, no exceptions.

In my chair you can...

sit back and stop thinking about it. Hands, feet, brows: I've got it.
