

TARA ROSE
SALON

MJ

NAIL TECHNICIAN

"Light on the hand, strong underneath."

I do nails that last. Extensions, overlays and BIAB that feel light on the hand and still hold up two weeks in. I've repaired a lot of broken nails, so I know what makes them break; and I build so they don't.

SPECIALISES IN

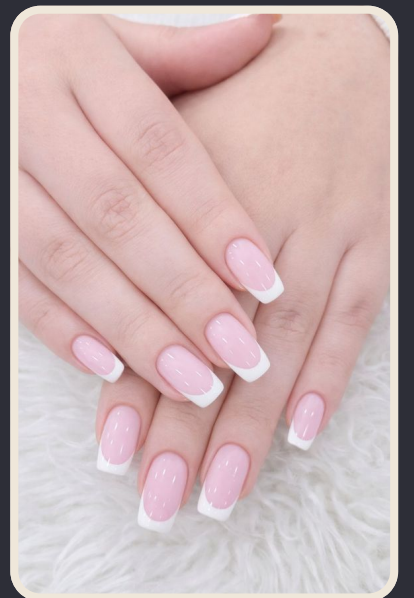

- Nail Extensions: Acrylic, Hard Gel & Tips
- Overlays & BIAB

- Nail Repair & Safe Removal

BEST FOR

You'll love me if...

You've had a bad set before and you're being careful about who you trust next.

What matters most to me...

That your natural nails are in better shape when I take it off than when I put it on.

In my chair you can...

Relax and chat away. I'll take it from here.
