SALON

Myra

BLOW-DRY SPECIALIST

"Waves that hold, and you're out on time."

I'm from the Philippines and I've been doing hair here in the UAE for eight years. Blow-dries are my thing: waves, volume, whatever shape you're after. My clients tell me two things: that I'm fast, and that they love how their hair comes out. I do a lot of keratin too, so if your hair fights you every morning, ask me about it.

SPECIALISES IN

- Blow-dry & Waves: Long and Extra-Long Hair
- Keratin & Frizz-Free Protein Treatments
- Colour-Lock & Repair Treatments
- Fine Hair & Scalp Treatments

BEST FOR

- Clients who want a proper blow-dry without giving up their whole afternoon

THE VIBE

- Calm
- Easy-going
- Quick

You'll love me if...

You want your hair to look done, and you don't want to be here all day for it.

What matters most to me...

That the wave is still there tomorrow, not just in the mirror before you leave.

In my chair you can...

Switch off completely. I'll handle it.

"I am really **impressed** with **Myra** as she did my **hair treatment and blowdry** 🌸 Such a beautiful soul and she deserves recognition! 🥰 I also loved the atmosphere at the Saadiyat branch and everything was amazing from the services to the feel of the salon."
