I've lived in Abu Dhabi for years and always heard of **Tara Rose**, but I stayed away because I assumed it was another pretentious salon that would overcharge me for mediocre work. I'm so upset it took me this long! I needed my roots done and toner for brassy highlights. **Olena was THE loveliest.** We talked through my hair before starting, she even gave me a quotation upfront which I've never had before, and we made a plan for my next visits. The salon is relaxed, the coffee is good, and the whole experience was amazing. **It lived up to its reputation and I'm now a customer.**
