BEAUTY THERAPIST

*"Brows that frame you, and feet you're **happy to show**."*

Three years in the UAE and I've found what I'm best at: pedicures and brows. Two things people keep putting off, then wonder why they waited. I take my time with both.

SPECIALISES IN

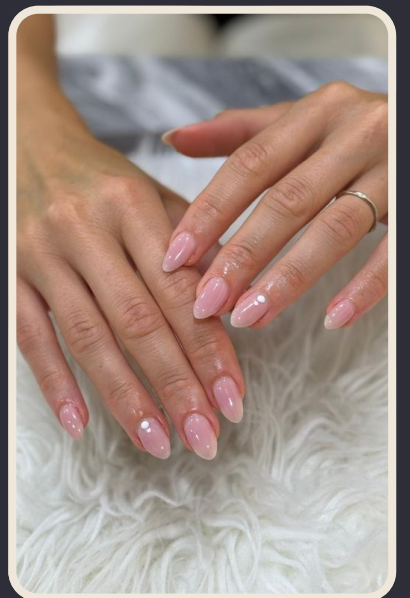

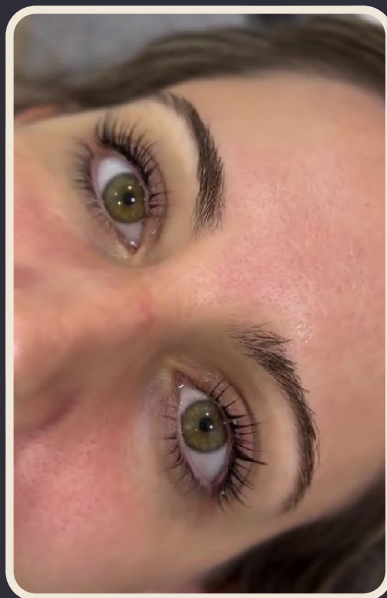

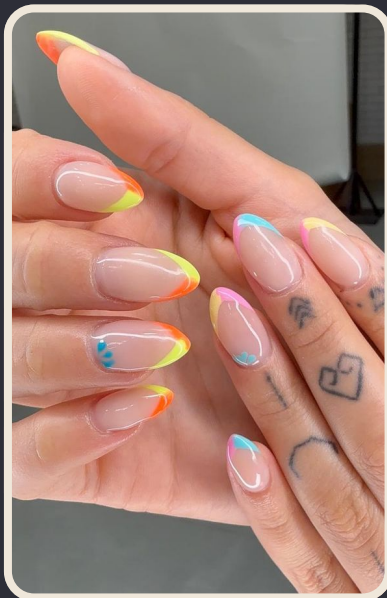

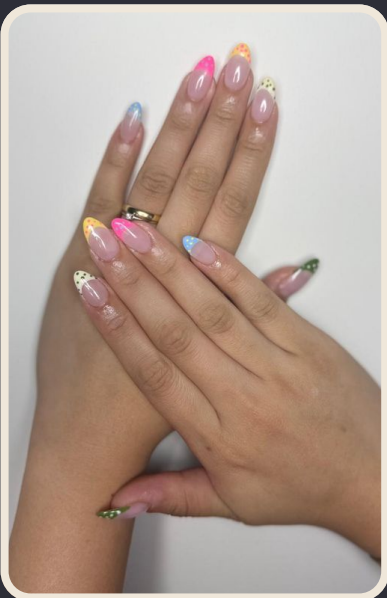

- Pedicures & Foot Treatments
- Brow Shaping: Threading, Waxing & Tinting
- Brow Lamination & LVL Lash Lift
- Manicures & Gel Polish

BEST FOR

- Clients who want their brows, hands, and feet done properly, not rushed

THE VIBE

- Friendly
- Thorough
- Easy-going

You'll love me if...

You're fussy about your brows, because so am I.

What matters most to me...

Getting the shape right. Brows are two millimetres from perfect or wrong.

In my chair you can...

Put your feet up. Literally.
