

TARA ROSE
SALON

Xyrhy

BLOW-DRY SPECIALIST

"A blow-dry that holds, from someone who asked first."

I'm from the Philippines and I started in this industry with zero experience. Ten years in salons, most of them as an assistant, so I've watched a lot of hair get finished badly, and I learned exactly what makes it drop. I'll ask you how you want it to move before I pick up the brush.

SPECIALISES IN

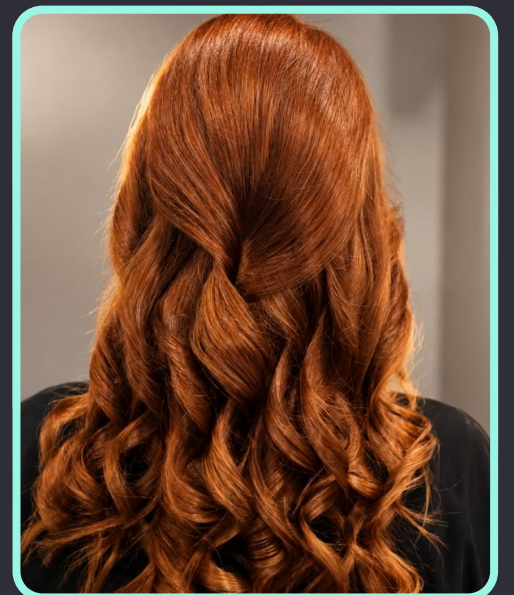

- Blow-dry & Finishing: Long and Extra-Long Hair
- Braids & Hair-Up
- Fine Hair & Colour-Lock Treatments
- Extension Removal & Refit

BEST FOR

- Clients with long or fine hair who want it finished properly, not blasted dry

THE VIBE

- Warm
- Patient
- Detail-obsessed

You'll love me if...

You've been rushed through a blow-dry before and it was flat by dinner.

What matters most to me...

That it still looks like the thing you asked for by the time you get home.

In my chair you can...

Tell me you don't like it. I'd rather fix it now.
