Greater independence. Still Tara Rose.

The Flex Stylist

Greater independence. Still Tara Rose.

For the established stylist who has proven what they can do and wants their arrangement to reflect it. You earn more, you gain more flexibility in your week, and you take greater ownership of your column, with the full TRS team and reputation still around you.

WHAT YOU EARN

Your pay structure

Your commission is calculated on all service and treatment revenue generated from your column.

Commission | Abu Dhabi

MONTHLY REVENUE	COMMISSION RATE
Below AED 35,000 / month	35% on all revenue for that month
AED 35,001 – AED 60,000 / month	40% on all revenue for that month
AED 60,001 – AED 75,000 / month	45% on all revenue for that month
AED 75,001 and above / month	50% on all revenue for that month

Once your monthly revenue crosses a threshold, the applicable rate applies to your entire revenue for that month, not only the amount above the threshold. Treatment and service revenue are both included. All figures exclusive of VAT.

Retail Commission

Retail is a genuine part of your income on every path.

MONTHLY REVENUE	COMMISSION RATE
AED 3,000 – AED 4,499 / month	10%
AED 4,500 – AED 5,999 / month	12%
AED 6,000 and above / month	15%

Commission is calculated on revenue net of VAT.
