Welcome-back Rate: Terms & Conditions

These terms apply to the welcome-back rate in the WhatsApp message you received from Tara Rose. It can be used at all four of our UAE salons: Mamsha al Saadiyat and Khalifa City A in Abu Dhabi, and Al Quoz and Motor City in Dubai.

1 **Who it is for.**

The rate is the one named in your welcome-back message from Tara Rose. It is held in your name and is not transferable: it cannot be shared or passed on to anyone else.

2 **Colour and cut.**

The rate is 20% off your colour and cut bill when you spend AED 500 or more on it, on one visit. Toners and treatments booked with your colour are included. Other services and products on the same visit are not. The AED 500 is counted before the rate is taken off.

3 **Smoothing.**

The rate is 30% off your next smoothing. Every type of smoothing is included, with no minimum spend.

4 **One use.**

The rate can be used once, on one visit. A cancelled or missed appointment does not use it up.

5 **Our salons.**

You can use it at any of our four UAE salons, on the services available at each salon. When you book, tell the team that you have the welcome-back rate.

6 **Until 31 December 2026.**

The rate can be used for any appointment that takes place on or before 31 December 2026. Booking before that date is not enough: the appointment itself must fall within it. Our salons close between Christmas and New Year, so the last day to use it is the last day we are open. Appointments stay subject to our usual booking, cancellation and no-show policies, and the rate does not reserve a particular stylist, date or time.

7 **Other rates.**

The rate cannot be used alongside any other promotion or rate, including Wellness Voucher credit, and it has no cash value.

8 **Pricing.**

All amounts are in UAE Dirhams (AED) and include applicable value-added tax.

9 **General.**

Tara Rose reserves the right to reasonably amend or clarify these terms where required for the administration of the rate, provided this does not reduce a rate you have already received.

We see you.
