I had my hair coloured and styled by **Elise** and I was absolutely thrilled with the results. She was so friendly and welcoming, really listened to what I wanted, and took the time to help me understand what different options would look like for me. Elise was **attentive** throughout the appointment, offering great advice while making me feel **comfortable and relaxed**. I left with beautiful vibrant hair and a big smile on my face. **I highly recommend Elise, a true gem in Dubai! :)**
