

TARA ROSE
SALON

Lizanie

STYLIST

*"Colour that **suits your life**, not just the day you leave the salon."*

I'm from South Africa and I've been doing hair for almost seven years. I'm warm, easy-going and detail-oriented, and I love building real relationships with my clients. I create colour that looks beautiful and stays realistic to maintain.

I did my hair with **Lizanie** and she was amazing! She took the time to chat with me beforehand and really understand what I wanted. We did a full head of **highlights** and she absolutely nailed it, it's exactly what I had in mind! She kept checking in to make sure I was happy with everything, and I left feeling so confident and happy with my hair. **Highly recommend her!**
