Ruth is the best in DXB for highlights! Since I started seeing her, my hair has been stronger, healthier, and looks totally natural. There's nothing I dislike more than a visible line where highlights start, but even after 2 months of growth that dreaded line is hard to spot. The way Ruth does **highlights** means I can go 2 months between appointments, so less damage to my hair (and my bank balance). **If you want a sincere, relatable hairdresser, Ruth is the one!**
