“WOW WOW WOW! All the 5 star reviews are 100% justified. I chose this salon and saw Semon after reading ENDLESS reviews online. I considered a lot of salons and none had reviews that compared.

Then on the day of the appointment, Semon was incredible.
I had an all over colour, cut and extensions.
I wasn’t entirely sure what colour or style I wanted, he helped me pick something that matched my features and desired look.
He was patient yet decisive when I needed it!

Usually an appointment like this takes NO LESS than 5 hours... he was done in 3 (including the consult). I was pleasantly shocked!

Most importantly, I love my hair. And am so glad to have found my new salon and stylist Semon in Dubai!!”
